

WAITING FOR THE MAIL

PALENTVILLE
JULY 10

We all went to the
little fair that had
just been having. They
are making an effort
to keep it open all the year -
there is a special collection held
every Sunday for some. We are willing
to visit and enjoy it. It has
been raining since last night for
which we are somewhat grateful as
the heat was dreadful and it is well and very much
to our pleasure.
